On July 1, 2014 Canada implemented new laws that regulate how we can communicate electronically with our customers. In order for us to comply with the legislation the NSBA (North Saskatoon Business Association) is requesting your Express consent to continue sending you information from our office.

The NSBA uses e-mail as an important information and communication tool to advise our membership of current affairs and upcoming events. It is also a significant revenue generator for our non-profit association. Because of its importance to our Association, the NSBA has been utilizing the e-mail blasting services. With these service comes a system, which is outlined below. We encourage you to make use of these forms of E-mail advertising and news as they can be of great benefit to you and help get information out faster and this also keeps your membership fees down and helps us to provide you with the support you need.

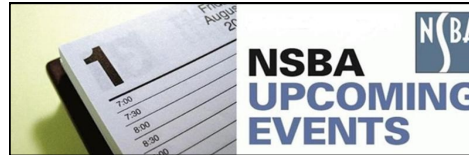

We send out four types of emails to our membership:

E-fliers, NSBA News, Upcoming Events, Club Connect Each of these has a relatively identifiable title so the membership should be able to recognize the type of email they are receiving by the name in the subject bar.

E-fliers (Sent out Mon, Wed and Thursday’s)

Upcoming Events (Sent out every Tuesday)

NSBA News Sent sporadically as needed includes our newsletter Focus, and other announcements

Club Connect is a vibrant networking Breakfast every 2nd and 4th Friday of each month **(Sent out the Monday and Wednesday before a meeting)**
