Dear Mr. Meili,

On behalf of the NSBA, I would like to congratulate you on your election as leader of the Saskatchewan New Democratic Party and Leader of the Official Opposition. With two strong candidates for the role and a long campaign period, your victory is a testament to your perseverance and work ethic that enabled you to win the support of the Party membership.

As you embark upon this journey, we wish to emphasize the role of the NSBA as a representative of business in the province. Although our positions on a number of issues may differ, we hope to have a positive working relationship with yourself and your Party, with the understanding that a thriving business climate creates prosperity for the entire province.

To this end, I would be happy to meet with you in the near future to discuss issues facing the business community. Such a meeting would provide an opportunity to discuss the positive impacts of business on the community and province, with an eye to where both of our organizations can support business in the future.

Again, I offer my sincere congratulations on your election and look forward to working with you in the future.

Sincerely,

Keith Moen
